

### Driving Question Refinement

**Topic:**

**My Driving Question:**

**Direction:** Decide on who will be the timekeeper in your group. Rotate your paper clockwise and put 3 minutes on the clock. During the 3 minutes, read your peers' driving question and fill out the first row in the chart below. When the 3 minutes is up, rotate again, reset the clock and fill out the second row below (Round 2). After the 3 minutes is up, rotate again. Please Note: 3 minutes is suggested time, but you can adjust to lengthen the time is necessary. **THE GOAL IS THOUGHTFUL FEEDBACK!** 😊

## Round Robin Brainstorming

**ROUND 1:** What ideas/concerns come to mind in thinking about your peers' driving question?  
What questions do you have?

### REFLECTION/NEXT STEPS

1. Choose one of the following to determine when your question is right now.
2. In looking at your peers' feedback, do you need to edit your driving question? If so, what is your plan for revision? If not, why do you feel your driving question is sufficient?

Oh mon Dieu...Je n'ai pas  
de question !

J'ai une question  
...mais...

J'ai une question  
et  
la question est bonne !
