Personalized Learning Project CUA Check In

You are going to present what you have accomplished in your research thus far. This will be a CUA grade.

Required elements to include in your presentation:

- Driving Question
- Key Research  
Please include at least 5 different pieces of textual evidence that are significant to your learning.
- Analysis/New Connections
- Speaking Component

**Directions:** You will use Book Creator to present your research. You will either make an iBook or a Comic. Within Book Creator, you will have some choices as to how to proceed. Try to think creatively and please think about how you are going to incorporate these 4 required elements into your interactive book.
